Start by colouring this archaeological site and the museum. How many tools are these children using to uncover the dinosaur bones?
Can you draw your favourite tool in the rectangle below?

Leiester Museum & Art Gallery
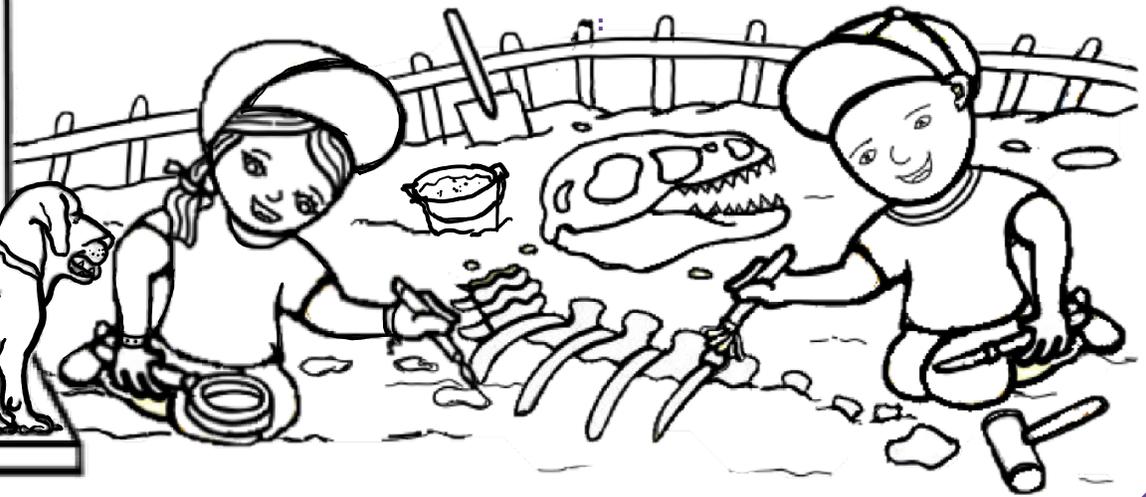

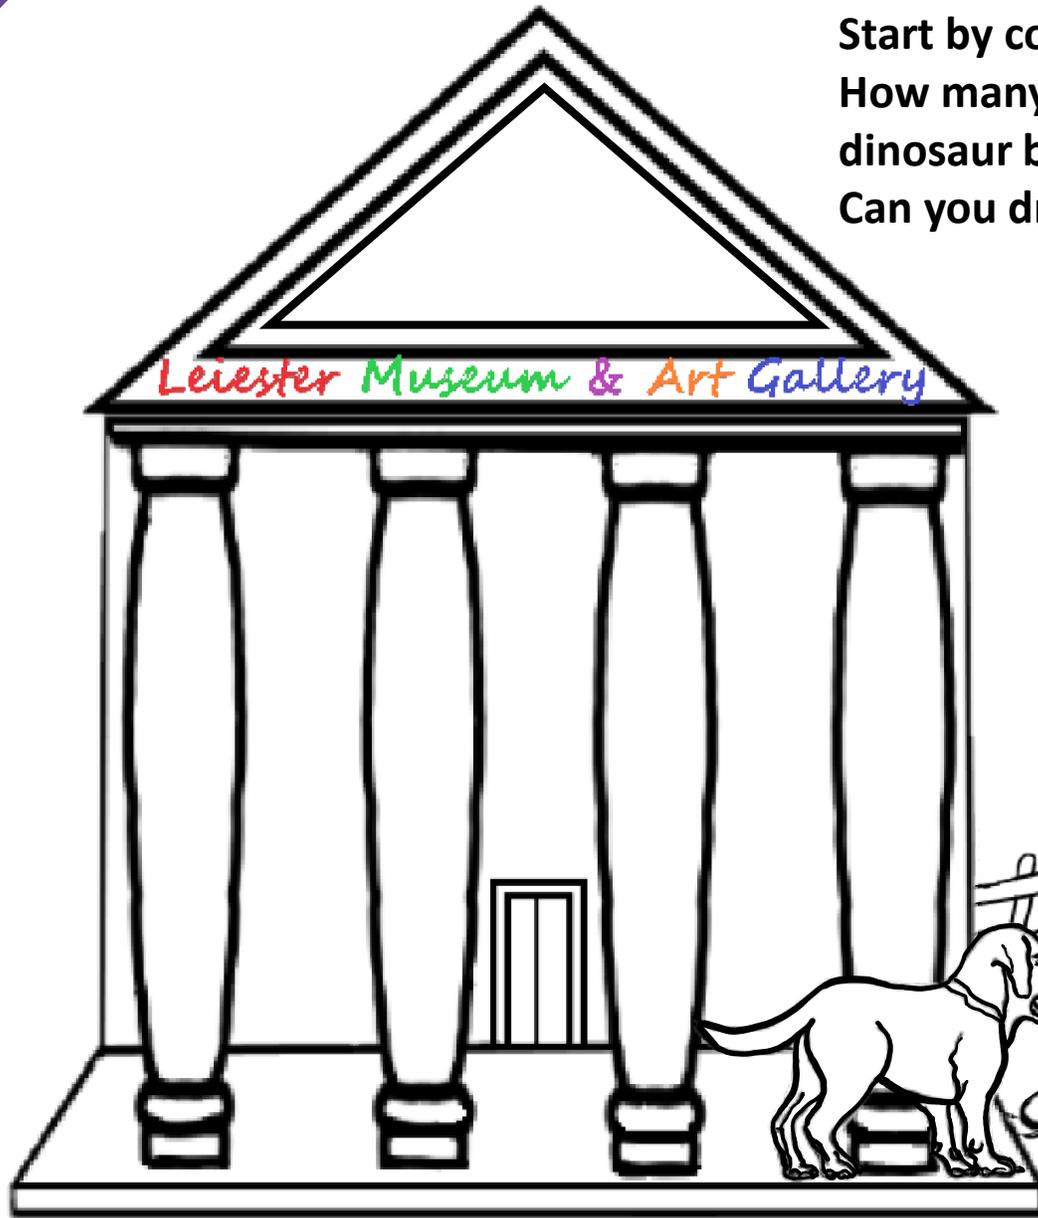

Colour this dinosaur using your own imagination or get your inspirations from the museum display .
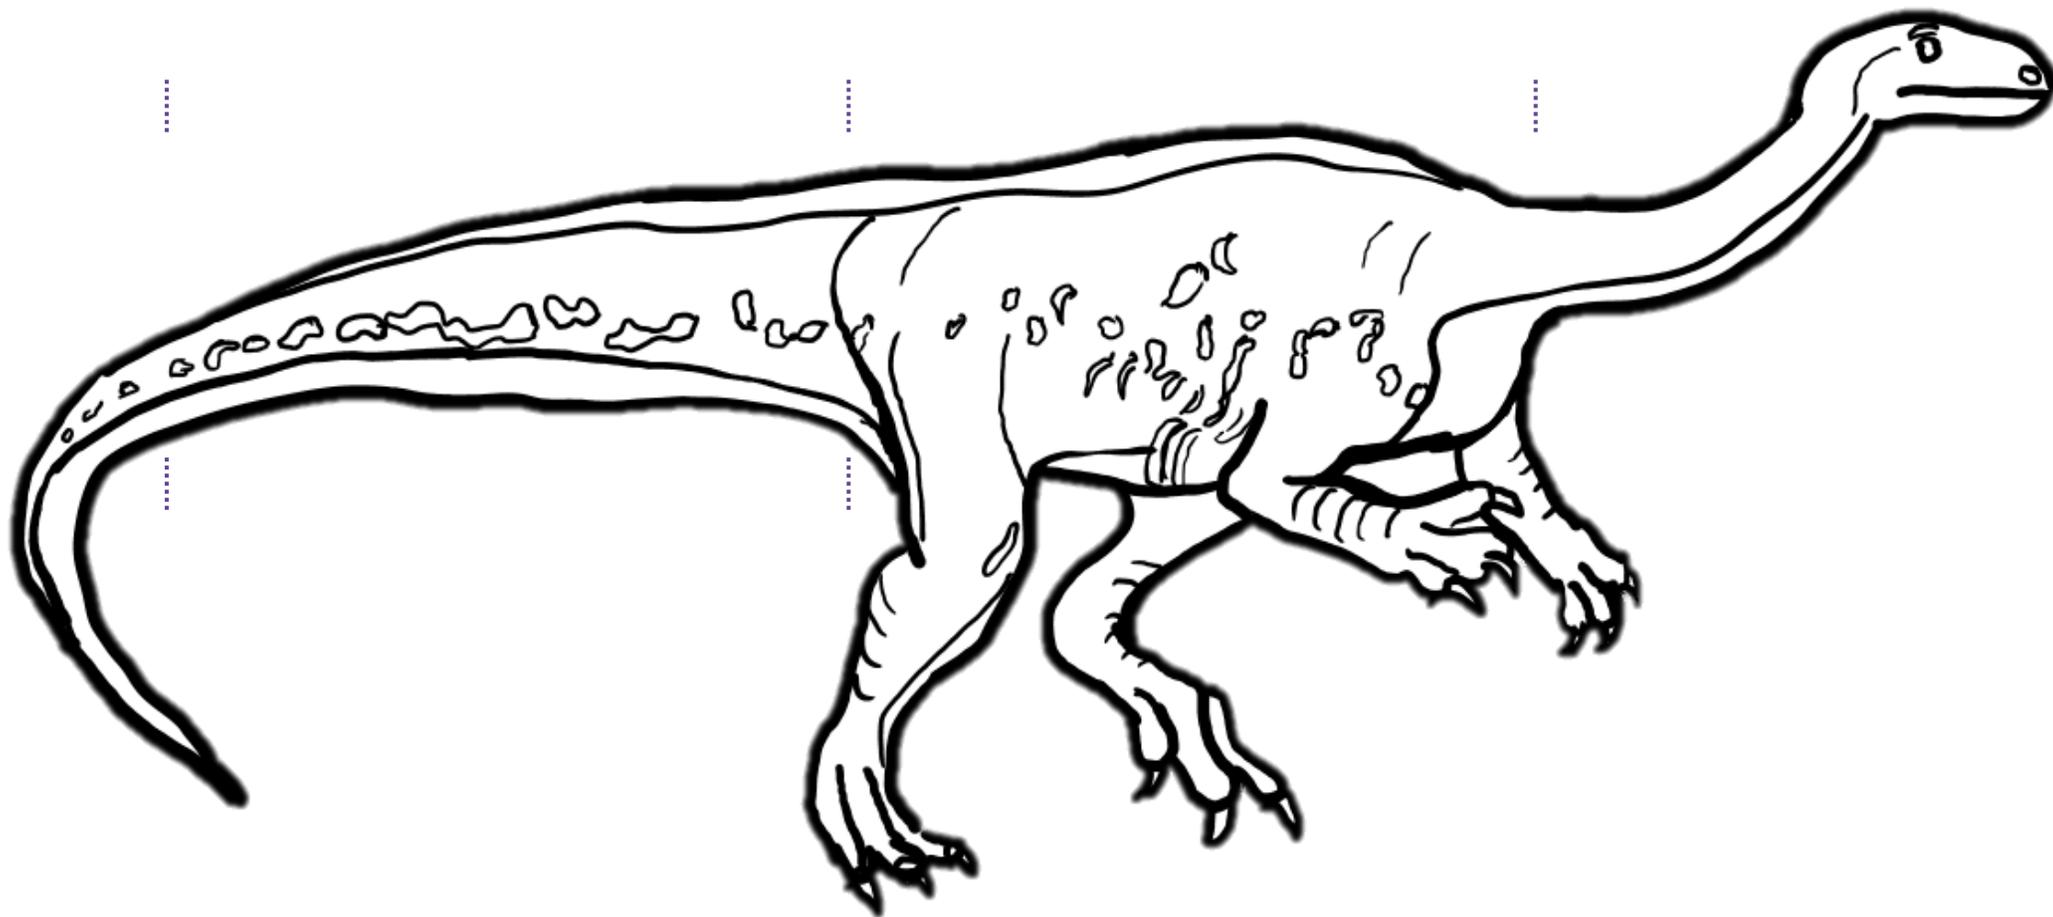

Match the squares to the main picture and write the correct grid reference for each one. When you have done so have a go at colouring the picture.
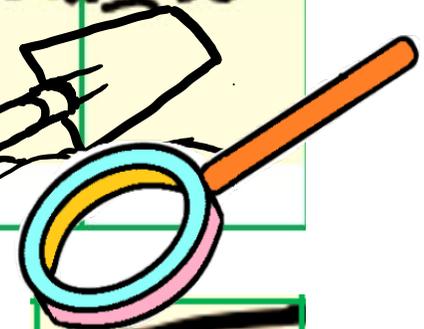

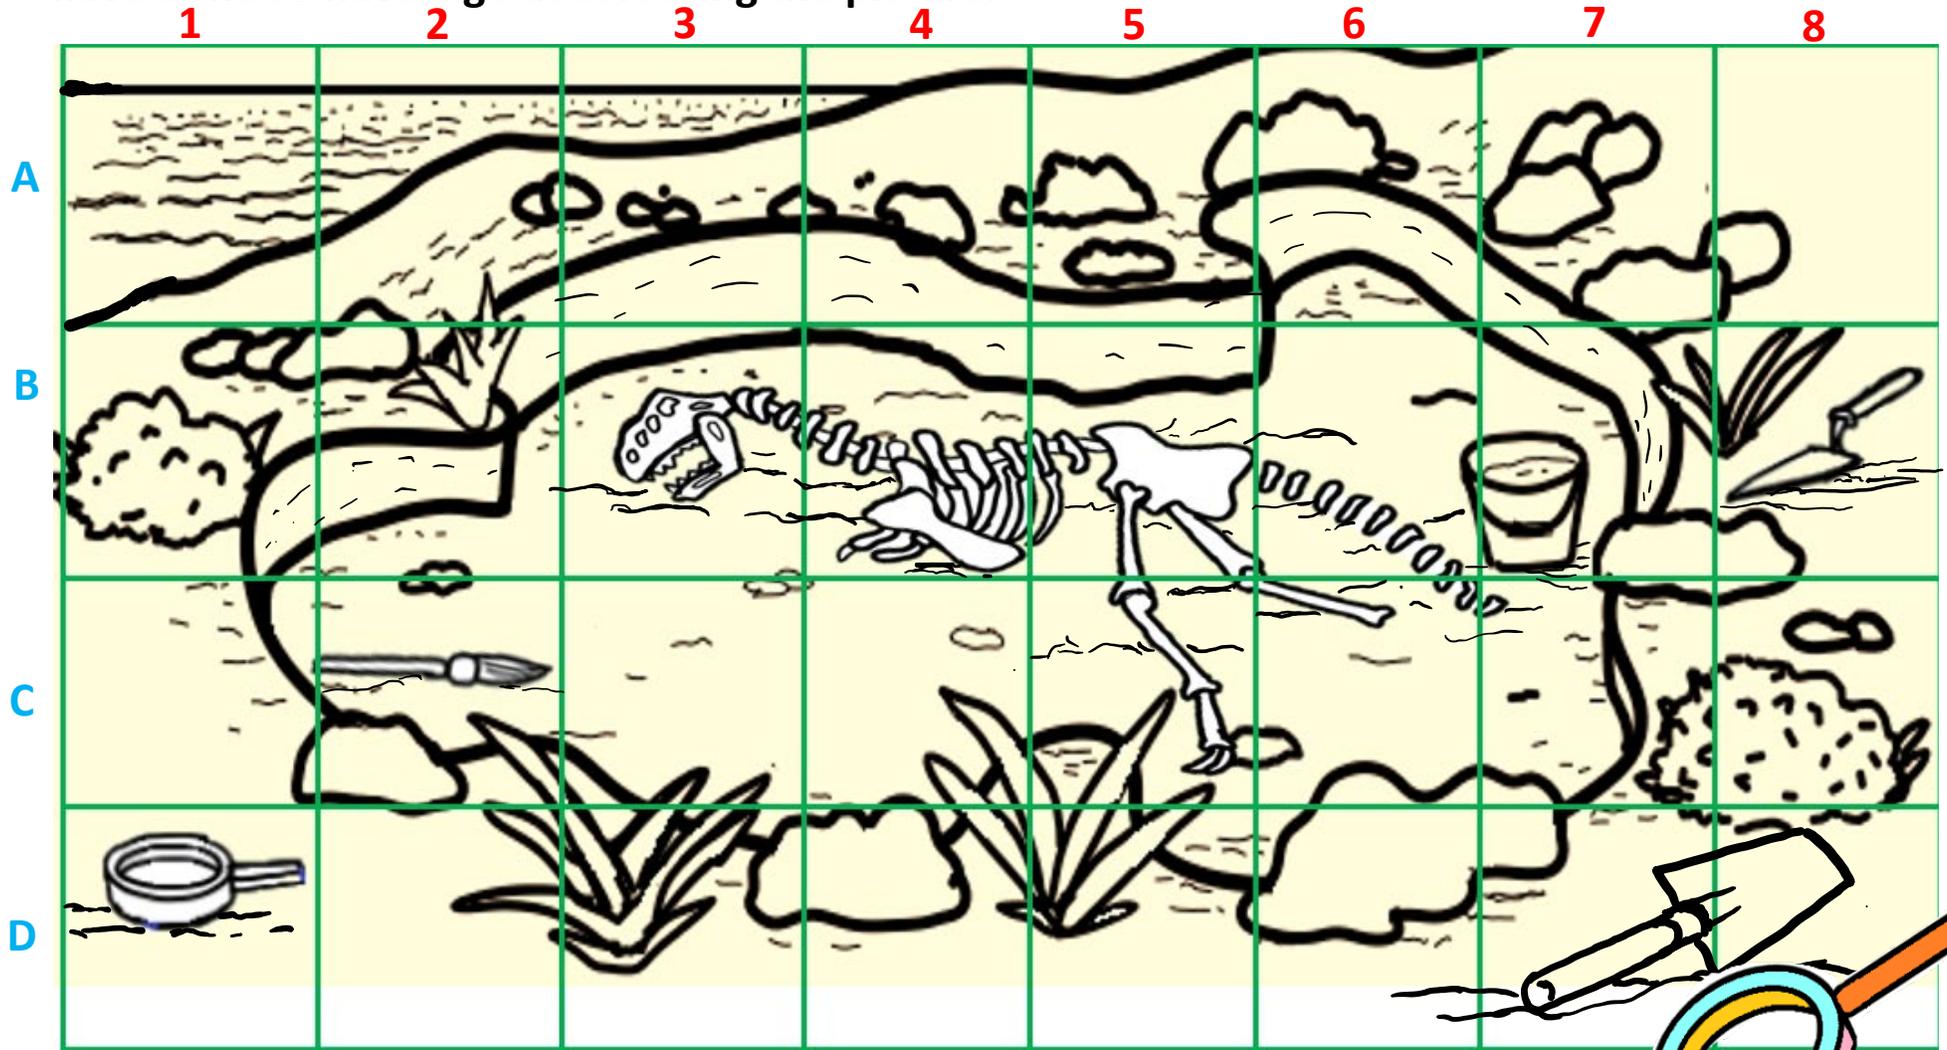

Colour this picture using your own imagination or get your inspirations from the museum display .
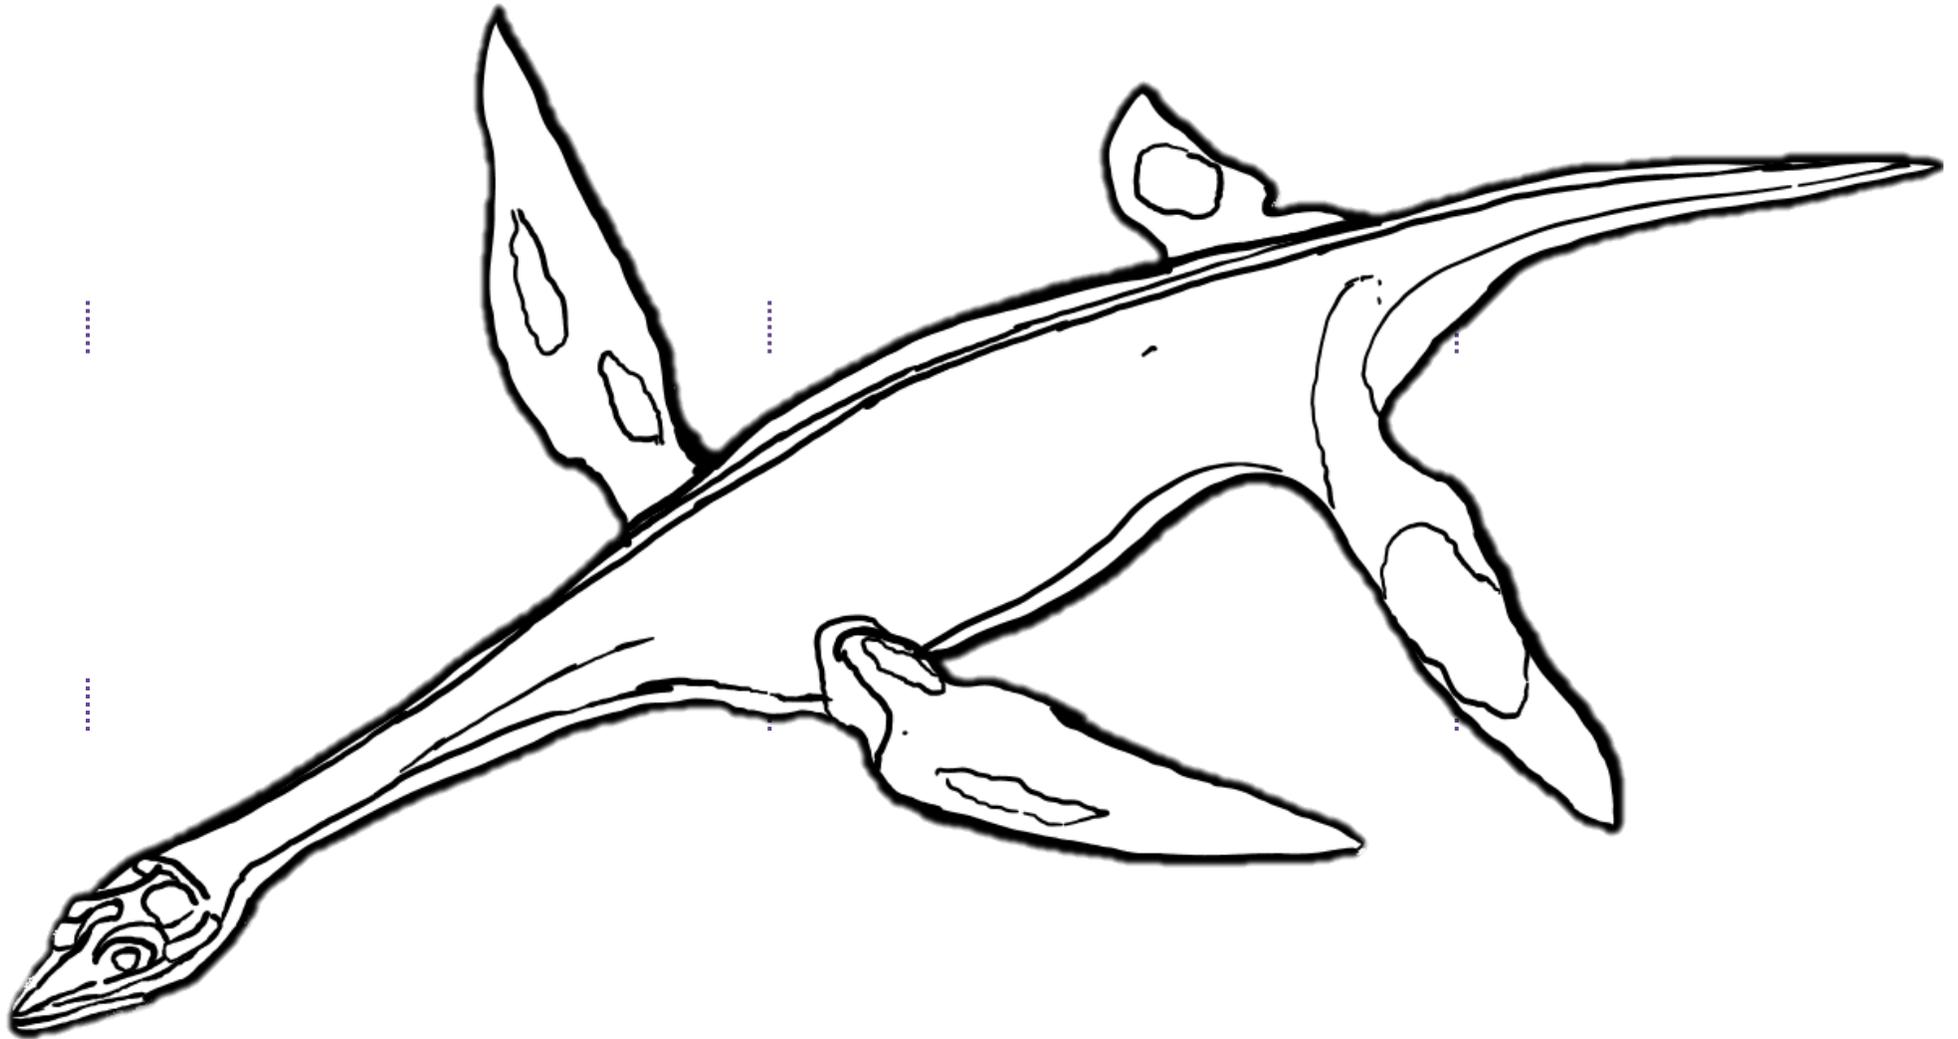

Match each dinosaur with its skeleton by putting its name and age in the appropriate square
